Apparently I didn't get this email originally. I thought that the 4th quarter had been uploaded for both Genwal and West Ridge. But since I didn't get West Ridge's it didn't get uploaded. Please upload this data.

Gary,

All of the 4th quarter data are entered, but I see that they are in the pipeline and haven't been uploaded. So, I guess you need to email Pam that it still needs uploading.

I was in SLC today, so sorry I didn't get this sooner, hope you didn't get an NOV.

Karla

Has all this been entered or do you need some info from me. DOGM is writing me a violation maybe because I haven't emailed them to upload it, but I can't find an email from you saying ok. I was gone to Indiana when my dad had some bad strokes and may have lost the email.
